ΑΦΕΛΟΜΕΝ ΥΠΗΡΕΤΕΣ

the first black sorority alpha kappa alpha

On January 16, 1908, a young woman named Ethel Hedgeman envisioned an idea that has now become the pride of many young college women.

From a small nucleus, Alpha Kappa Alpha has grown to more than 1,101 graduate chapters and 110 undergraduate chapters throughout the United States and Liberia.

More than 50,000 men have been initiated into Alpha Phi Alpha Fraternity since our founding in 1906. It has been interrical since 1945. There are now 382 College Chapters on campuses, and 228 Alumni Chapters in 41 states including the District of Columbia, West Indies, Europe, Africa, Viet Nam and the Virgin Islands.

alpha phi omega

Alpha Phi Omega National Service Fraternity, organized for the purpose of assembling college men into the fellowship of the principles of the Boy Scouts of America, and to develop Leadership, promote Friendship, and provide Service to humanity, was founded at Lafayette College, Easton, Penn., December 16, 1925, by Frank Reed Horton, and nineteen other undergraduates at Lafayette. As the years pass the fraternity strive toward its three cardinal principles, on the National, International, Local, State, and Sectional levels, helping all mankind throughout the entire universe.

At the inception of Delta Sigma Theta Sorority, Inc. in 1913, the founders envisioned an organization of college women devoted to serious endeavors.

These youthful leaders demonstrated a vital concern for social welfare, academic excellence, cultural enrichment and deemphasized the social side of sorority life.

Delta Sigma Theta Sorority was founded at Howard University by a group of 22 undergraduate women dedicated to high intellectual and moral standards among its members, for its own benefit and for that of the larger society in which it existed.

The National Constitution of Gamma Sigma Sigma went into effect of January 1, 1953. At this meeting seven girls' service organizations combined to form a National Service Sorority with their purpose to assemble College and University women in the spirit of service to humanity.

ΚΑΨ

Kappa Alpha Psi was chartered and incorporated under the laws of the state of Indiana on January 5, 1911. The fraternity came out of the night into the minds of ten Black men who were bonded together with a desire to stress Brotherhood through Achievement and to these great men, we the brothers of this great land, here, there, and everywhere, tend to stress brotherhood through achievement.

phi beta sigma

Phi Beta Sigma Fraternity, Inc. was founded in the year of 1914 by A. Langston Taylor, Leonard F. Moarse, and Charles I. Brown at Howard University for the purpose of promoting brotherhood, scholarship, and service to humanity. Throughout the year Sigma has exemplified these three characteristics for the upgrade of all mankind regardless of race, creed or color.

Sigma Gamma Rho Sorority, Inc. was organized on November 12, 1922 in Indianapolis, Indiana by Mary Lou Gardner Little and six other school teachers. The growth of the Sorority since its founding has been remarkable. From the small nucleus of seven inspired young women in the capital city of Indiana, it has expanded throughout the United States, District of Columbia, and Africa. Activities of the Sigma Gamma Rho Sorority are encouraged that will further in every way possible the advantages of its members intellectually, morally, and socially.

zeta phi beta

"No man is an Island." This idea of togetherness and dependence among men also applies to the relationship between men and women. In 1920 the brothers of Phi Beta Sigma decided that instead of adopting a sister organization they would assist in the organization of a new Sorority to be their true eternal and universal sisters. This idea was discussed with Miss Arizona Cleaver who later met with four other young women. They decided to organize a Sorority which they hoped would reach college women in all parts of the world who were Sorority-minded and desired to affiliate with a group which had as it objectives the ideas of service, scholarship and sisterhood, and for its ideal — finer womanhood.

omega psi phi

The Omega Psi Phi Fraternity was organized on November 12, 1911, in the office of Ernest E. Just, professor of Biology, Howard University. The organizers were three students in the College Liberal Arts, Edga M. Love, Oscar J. Cooper, and Frank Coleman. Professor Just was theirfaculty aAdvisor.

At the first meeting, the name of the fraternity was formed. Omega Psi Phi meaning, "FrienAship" is essential to the soul. Manhood, Scholarship, Perserverance and Uplift were adoped as cardinal principles.

Patterns...

A day in the woodlands uncovers a great variety of patterns. Some are pleasant and soothing; others excite wonder and curiosity. They are patterns enriched by sounds of wild life and winds, by the smells of pine and earth. They are patterns of the past—reminders of times when man's survival depended on his mastery of the forest. They are patterns of growth—tracing every stage from fragile seedling to towering tree. And they are patterns of order, progress, and change, combining the spontaneity of nature with the handiwork of man.

"I've been in the Navy just 18 months and I'm a practicing defense attorney and in Legal Assistance. The experience I've had in the Navy is invaluable so early in my career. It's the kind of experience that could otherwise take years."

These are the feelings of LT Trevor Bryan, a 1971 law school graduate.

"I was interested in the Navy Judge Advocate General Corps because of the opportunity it offered. I joined the Navy following my second year in law school and used the Excess Leave Program to finish. It wasn't long after I received my commission that I was working in a courtroom . . . exactly where I wanted to be."

Before practicing law in the Navy, LT Bryan was admitted to the Massachusetts Bar, and while drawing full pay and allowances of $838.68 per month, completed an intensive nine-week course in Military Justice at the Naval Justice School in Newport, Rhode Island.

"Right now, my income compares favorably with that of a civilian lawyer starting out in most areas of the country. Add to that all the Navy benefits!"

"I know of no other place that offers so much to a new attorney, as the Navy JAG Corps. You get experience in both civilian and military courts. It's a great opportunity!"

This same opportunity is open to you if you qualify. And there's no need to delay your career. You are eligible to apply as a college senior or in any year of law school. Whether your area of interest is Maritime Law, International Law, Civil Law or others, the Navy has a practice for you . . . around the world.
